Globalized Edible Himalayan Pink Salt

- GS 103

BENEFIT OF HIMALAYAN ORGANIC PINK SALT :

Himalayan pink salt is a pink-hued variety of salt that is sourced near the Himalaya mountains of South Asia. Himalayan salt is believed by many to be a healthier alternative to common table salt, or sodium chloride. Though mined like rock salt, Himalayan pink salt is technically a sea salt.

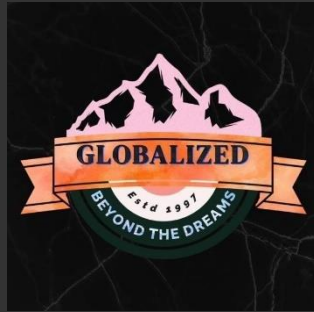

ملح الهيمالايا الوردية هو مجموعة متنوعة من الملح ذات اللون الوردية الذي يتم الحصول عليه من أن ملح الهيمالايا بديل صحي بـ القرب من جبال الهيمالايا في جنوب آسيا. يعتقد الكثر أن ملح الطعام الشائع أو كلوريد الصوديوم. على الرغم من أنه استخراج من الملح الصخري، إلا أن ملح الهيمالايا الوردية هو من الناحية الفنية ملح البحر.
